Dear Christmas Décor Franchisees:

Thank you very much for your contributions to the many Ronald McDonald Houses throughout the U.S. and Canada. Your efforts bring smiles to the faces of the children and families staying in our Houses at a time when smiles are in short supply.

As you may know, our mission at Ronald McDonald House Charities is to create, find and support programs that directly improve the health and well being of children worldwide. Our goal is to make an immediate, positive impact on as many children as possible through our global network of Chapters in 49 countries.

While decorating the Houses that Love Built continues to be an impactful program, this year we're excited about the new co-branded pin that will be shared with your many consumers. This pin is symbolic of our relationship and will communicate to your consumers your dedication to so many children and families, while increasing awareness for our cause.

On behalf of the children and families that will and that have benefited from your generosity and dedicated support, "thank you." We appreciate your partnership.

Sincerely,

A handwritten signature in cursive script that reads "Marty Coyne".
